

Inbound traffic diversion along Rotterdam Road, Antwerp Road and Holwell Road to Bandstand Rbt. Advance signing to be placed at Sutton Road Leads Road junction to allow alternative routes to be used.

Outbound traffic to be single lane one way away from Bandstand Rbt. Lane to be on either side of existing Leads road to create working space and still allow residents to park.

Leads Road Reconstruction
One way system likely to be in place for approx. 14 weeks with a full weekend closure at the end for the carriageway surfacing works.
Start date 25th April 2022
